

VOL. 4 — RAHU EXECUTIVES

(Born on 4, 13, 22, 31)

Global Corporate Numerology — Behavioral & Psychological Blueprint of Corporate Executives Born on 4, 13, 22, 31

This book explores the executive psychology, unconventional thinking, disruption behaviour, pressure response, authority resistance, and decision-making tendencies of individuals born on 4, 13, 22, and 31. Based on the SAPANDA Corporate SPAN™ framework inspired by classical Cheiro decans, the book studies how the same core number behaves differently across zodiac influences and behavioural SPAN layers.

Designed especially for founders, HR professionals, promoters, leadership teams, consultants, and serious students of behavioural numerology, this work focuses on practical corporate application rather than vague prediction. It studies reform psychology, system redesign behaviour, conflict response, executive individuality, and role-fit inside real organizational structures.
