

VOL. 9 — MARS EXECUTIVES

(Born on 9, 18, 27)

Global Corporate Numerology — Behavioral & Psychological Blueprint of Corporate Executives Born on 9, 18, 27

This book explores the executive psychology, action orientation, courage under pressure, execution force, leadership aggression, and decision-making tendencies of individuals born on 9, 18, and 27. Based on the SAPANDA Corporate SPAN™ framework inspired by classical Cheiro decans, the book studies how the same core number behaves differently across zodiac influences and behavioural SPAN layers.

Designed especially for founders, HR professionals, promoters, leadership teams, consultants, and serious students of behavioural numerology, this work focuses on practical corporate application rather than vague prediction. It studies competitive behaviour, frontline leadership, pressure response, authority style, and executive role-fit inside real organizational structures.

What You Will Learn

- Action and execution psychology
- Leadership under pressure
- Conflict and authority response
- Competitive corporate behaviour
- SPAN behavioural distinctions
- SWOT and management guidance

Who Should Read This Book?

Founders, HR leaders, management professionals, recruiters, business owners, leadership coaches, and serious numerology students.
